

Developing Teachers: Breakthrough Welcomes Super Saturday Teachers

Breakthrough Manchester launched its first virtual Super Saturday this weekend led by 16 Teaching Interns who are juniors and seniors in greater Manchester area high schools:

Bedford High School

Srinivaas Chetlur

Roisin Russell

The Derryfield School

Zian Chen

Julia Hardy,

Samantha Induni

Micah Johnson

Emma Losey

Yelizaveta Nikolenko

Emma Ryan

Jen Sheppard

Manchester Central High School

Erin Cayer

Maranatha Contreras-Velez

Emma-Rose Cote

Kim Nguyen

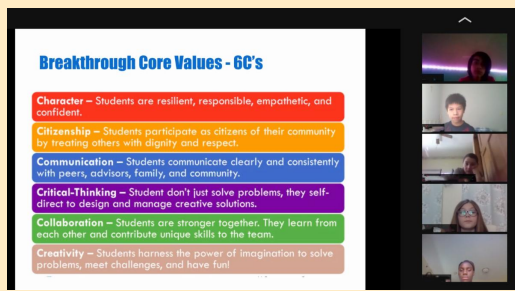

Manchester Memorial High School

Ella Lawson

Pinkerton Academy

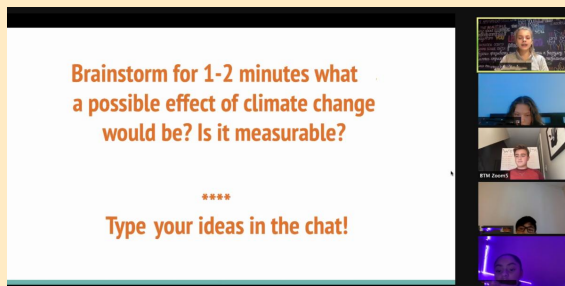

Karalyn Wright

We are delighted to have three Breakthrough students as interns and four interns returning from last year! Guided by our veteran Instructional Coach, Jan Moynihan-Cooney, the interns were ready to empower our students with their wisdom after three comprehensive orientation

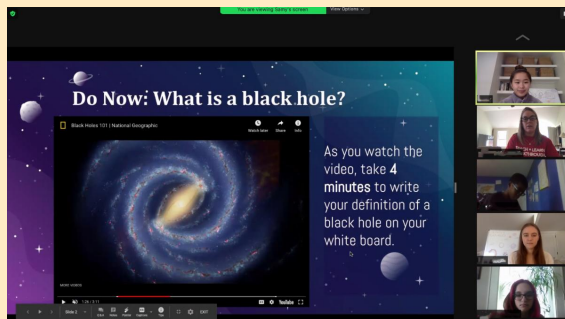

Inspiring Students: Breakthrough's First Virtual Super Saturday!

With a focus on Science and Social Science, Breakthrough hosted our first ever virtual Super Saturday! Enrichment courses included Criminology, Anatomy, The Brain, Astrophysics, and Environmental Science. At the end of the day, students shared the following:

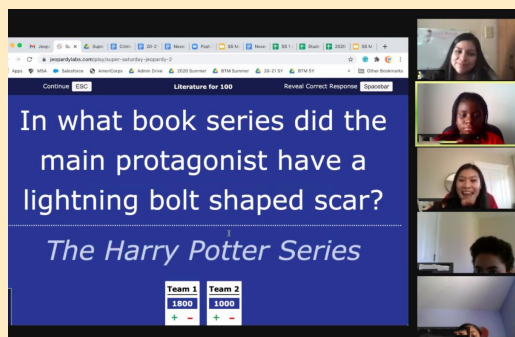

- "Everything went well. I loved this super Saturday! And I learned a lot!"
- "I learned about gasses and how it affects our climate and a lot about global warming and how to help!"
- "It was awesome! I had a lot of fun and I learned a lot about criminology"
- "All the classes were fun! I like that! It takes my mind off some things I worry about all day every day."

A new Teaching Intern observed, "Nice to see the kids interacting with each other in the chat! They really like each other!"

The day wrapped up with a lively Jeopardy competition in Community Block followed by Advisory Fun Zones.

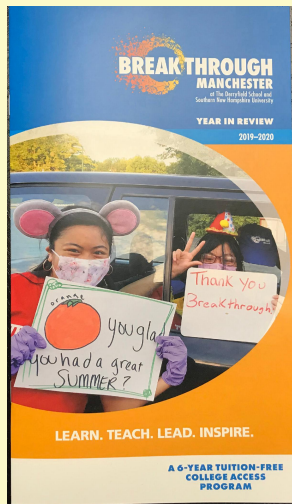

It is reaffirming to know that we continue to offer socio-emotional support and academic enrichment to our students during these times

Together We Can Make an Impact!

Please join us for GivingTuesday, a global day of generosity to empower people and organizations to transform their communities and the world. Share whatever you can,

whether it is your time, skills, voice, or money. Don't miss this opportunity to give back to the Breakthrough community and/or any of the countless other organizations making an impact!

Celebrate our Epic Summer!

If you haven't already, check out Breakthrough's *Year in Review!* Hot off the press, this piece gives a nice overview of a year like no other and encapsulates some of the highlights of our first ever virtual summer! Breakthrough was there for our students every day for six weeks when they needed us most! Click [here](#) and see for yourself!
